

SCHOOL-COMMUNITY RELATIONS

Citizen Advisory Committees

Parent-Teacher Associations

Formal parent-teacher associations may be established for each attendance center in the School District, or a single association representing the District as a whole.

Planning, formulation, implementation and administration of such an organization is a function of patrons of the District and not the responsibility of district personnel.

The building principals shall serve as liaison personnel representing the school system.

Membership and rules governing the organization(s) shall be determined by the membership of the organization.

All activities relative to and affecting, or involving school district programming shall be coordinated through the Building Principals and shall be approved by the Building Principal prior to the activity occurring.

School facilities shall be made available to PTAs at no expense to the organization.
