Community Activities Involving Students

Contests For Students

The following policy of the Board of Directors shall govern student participation in the local, state, and national contests:

1. Participation:
Participation shall be limited to those contests and activities that are educationally sound, worthy and timely. It should be stimulating for the student and school, a desirable activity for both, and should supplement and not interfere with the regular program. Participation shall be voluntary. No contestant shall be excluded because of race, color, or creed.
2. Approval:
Participation in contests must have prior Building Principal's authorization as indicated in Board Policy Code 510.61a.
3. Transportation:
Appropriate school funds may be used to assume the costs of transportation where students represent the school in competition, but on other events the students shall pay their own transportation costs.
