Community Activities Involving Students

Money Raising Activities in the School

No activity requiring students and teachers to assist in promoting any campaign (financial, educational, charitable, or otherwise), which demands the time of students, teachers, and administrators, shall be permitted, except as hereinafter provided, unless the same shall be in accord with the general policies of the Board of Directors.

No agent or person, or persons shall be permitted to solicit any student or teacher for any purpose, or distribute circulars, handbills, cards, or advertisements of any kind or make announcements of any nature, or take up contributions in any school building or on the premises, for any purpose whatsoever, except by approval from the Superintendent of Schools, as being in accord with the general policies of the Board of Directors.

Participation by students in charitable activities is considered to be a desirable part of their total education. However, as a matter of basic policy, the Board of Directors will authorize the administration to determine the nature and extent of such activity.
