

BOARD OF DIRECTORS

Election to the Board

Regular elections shall be held annually on the second Tuesday in September, as directed by the county commissioner of elections (auditor).

Special elections may be called by the Board of Directors with regard to those matters stipulated in Section 277.2 of the Code of Iowa which apply to the school district.

There shall be a written notice of all regular and special elections, which notice shall be given by publication--not less than four not more than 20 days prior to the day set for the election.

Polling places for school elections shall, when practicable, be the same places used by the last city or state election. Precincts and polling places are approved by the commissioner of elections upon the recommendation of the Board of Directors, and once approved, shall remain the same unless changed by the commissioner.

Balloting at school elections will be determined by the commissioner of elections.

The county commissioner of elections may appoint one or more deputy(s) to conduct a school election.
