

BOARD OF DIRECTORS

Meetings of the Board

Meetings of the Board are held for the purpose of conducting the business of the schools. The meetings are usually held in public with a few exceptions or exemptions. Only Board members have the authority to make and second motions and vote on issues before the Board. The Board may establish rules for its own government and determine procedures that will be followed during Board meetings. Meetings may be closed to the public to allow the Board to discuss a specific topic from a narrow list of reasons and following the procedures defined by law (see Code No. 204.4).
