Tutoring and Conducting Other Personal Business at School

- 423.1 The Board of Directors, through its administration, retains all rights to determine when individuals and employees, when on school property and during working hours, may conduct personal business.
- 423.2 All instructional or extracurricular services to students shall be provided as a part of the District's educational program. No employee shall accept fees or other compensations for private tutoring, lessons, coaching or other educational services for District students during the school year unless specific written approval is obtained in advance from the superintendent.
- 423.3 No District facilities, equipment, materials or supplies shall be used by any employee for private tutoring, lessons, coaching or other educational services or for an employee's private business or activities without prior specific approval from the superintendent.
