

STUDENT PERSONNEL

Pregnant Student

This board recognizes the need for all resident students to attain a high-quality education and offers the right of a pregnant student to continue her participation in the public school program. A pregnant student shall consult with the building principal or a member of the professional staff as soon as possible following medical confirmation of the pregnancy. The professional staff member will notify the building principal immediately.

When in the opinion of the student's physician, her physical condition warrants it, the expectant mother may be excused from school. Provisions will be made for instruction during the period absent from school. The student will be permitted to re-enter school upon the recommendation of her physician.
