

STUDENT PERSONNEL

Foreign Exchange Students

Because of the cultural advantages to district students, and in order to promote the cause of international understanding, the district will accept on a tuition-free basis a \*limited number of foreign exchange students, provided arrangements for these students have been approved by the building principal and the superintendent and provided such students shall be sponsored by a recognized exchange program and will live within the boundaries of the district.

\* Limitations:

- 1) We will accept only three students and one emergency placement.
- 2) There can only be two placements from any one organizations.
- 3) Emergency placements include those students who are being placed in a different situation, those who cannot find any other placement and those families moving into our district with a foreign exchange student.
- 4) The school reserves the right to refuse any foreign exchange program based on what is best for the school system.
