School Calendar

The superintendent of schools shall have the responsibility for developing an official school calendar for the coming year to be recommended to the Board of Directors for approval and adoption. Board approval of the school calendar shall be prior to the time of issuance of personnel contracts for the ensuing year, but shall not be included as an official/legal part of personnel contracts for the following year.

The Board of Directors shall have the prerogative to amend the school calendar when it is determined to be in the best interest of the school district.
