

EDUCATIONAL PROGRAM

Programs of Instruction

Special Education - Individual Education Plan

All present or proposed Special Education services of an instructional nature provided to any child qualifying for such services shall be based on a written individual education plan for each child affected. Each plan shall include: (1) a statement of the child's present level of educational performance; (2) a statement of annual goals in each area of need as well as the short term instructional objectives which will bring the child from the present level to the specified annual goal; (3) a statement indicating specifically which special education and related services will be provided the child; (4) a specific indication of the extent to which the handicapped child will participate in the regular evaluation program; (5) a projection of the dates services will be initiated and the anticipated duration of services; and (6) a statement of procedure for the annual evaluation of the objectives and goals.
