Co-Curricular Activities

The Board of Directors believe that a progressive program of student activities is vital to the complete development of the student. Such activities offer opportunities to serve the institution, to assist in development of fellowship and social good will, to promote self realization and all around growth, and encourage the learning of qualities of good citizenship.

To assist in the administration of the student activities program, the board shall periodically review the program of activities and approve it as a part of the total curriculum of the district.

Additions and deletions to the student activities curriculum shall be determined by the board after recommendation of the superintendent.
