

EDUCATIONAL PROGRAM

Instructional Arrangements

Share-Time Staff

The administration may enter into a shared-time contract with another school district, or other public educational institutions according to Chapter 28E, Iowa Code, to allow certified staff to fill a vacant or newly created part-time position where none of the current staff members are available or do not possess the necessary certification and/or qualifications as determined by the board.

The school district shall consider proposals of other public educational institutions to share certified staff members where the arrangements may be mutually beneficial to the institutions, personnel and students involved.
