Open Enrollment Transfers

Receiving Transfers

The board, within thirty days of the receipt of a request to transfer into the district under the Open Enrollment Act of 1989, shall take action on that request. The board secretary shall promptly notify, by mail, the individuals making the request of any action taken by the board. Once the request has been approved by the board, the student named in the request will be considered to be enrolled in the district, and will be committed to attend in the district with the commencement of the next academic year.

When deciding whether to approve a request to transfer, the board shall consider the following:

1. If a child, for which a request to transfer has been filed with a district, has been suspended or expelled in the district, the board may refuse the request to transfer until the child has been reinstated in the sending district.
2. The board may refuse a request to transfer if insufficient classroom space exists.

Sending Transfers

The Anita Board of Directors and its representatives will follow the mandate issued by the State of Iowa concerning open enrollment.
