Tobacco Free Environment

The school district will promote a tobacco and smoke-free environment by making the use of tobacco products off-limits on school property, school vehicles, and at school sponsored events. This requirement extends to employees, students and visitors. This policy applies at all times, including school-sponsored and nonschool-sponsored events. In addition, this policy applies to employees and students at off campus school sponsored events. Persons failing to abide by this request shall be asked to refrain from using tobacco products on school grounds and at school activities. It shall be the responsibility of the administration to enforce this policy.
