

## **Atlantic Business and Professional Women Collen Scholarship**

The purpose of this scholarship is to encourage women to pursue a degree in a non-traditional area. Computer Science, Management Information Systems, Chemistry, or Engineering related degrees afford opportunities for significant achievement for women. Hopefully, through this scholarship women will have an additional incentive to pursue formal degree certification in computer related fields.

There is one \$500.00 scholarship available for **any female resident of Cass, Shelby or Audubon County, Iowa who is pursuing a degree in Computer Science, Management Information Systems, Computer Systems Management, Chemistry and Engineering.** Degrees that are not included are any general business degrees in the areas of management, accounting, marketing, economics, etc. The student may attend school full or part time and may be of any age.

If you have any questions, contact Laurine Price at 712-249-6688

Please submit applications by **April 1<sup>st</sup>** to:

**Laurine Price**  
**1905 Hillcrest Drive**  
**Atlantic, IA 50022**
